Re: SLL BOCES
Educational Services Center
Miscellaneous Improvements
MARCH No. 1298

Dear Tom:

Attached please find the bid tabulation sheet for the above referenced project. The apparent low bidder is ENI Mechanical. We have spoken to Andrew Leonard, who has indicated to us that he understands the scope of work, has included all the necessary project requirements, and is prepared to enter into a contract with BOCES.

At this time, we are recommending that the contract be awarded to ENI Mechanical for a total contract amount of \$218,000.

Upon your direction, we will prepare the necessary contract. If you have any questions please do not hesitate to contact me.

Sincerely yours,

Michael S. Lahey, AIA
Architect
