Re: St. Lawrence-Lewis BOCES
Welding Exhaust Revisions
MARCH No. 22081
Award Recommendation

Dear Tom:

Attached please find the bid tabulation sheets for the above referenced project. We have spoken to the low bidder, Sean Dodd at ENI Mechanical, who indicated to us that he included all the project requirements, understands the project scope and schedule, and is prepared to enter into contract(s) with BOCES. At this time, we are recommending award as follows:

Mechanical Construction

ENI Mechanical, Gouverneur, NY

Base Bid.....\$263,665.00

Electrical Construction

ENI Mechanical, Gouverneur, NY

Base Bid.....\$24,690.00

The recommended contract amounts result in a total construction cost of **\$288,355**. Each of the contracts contains a contingency allowance. The allowances for these contracts total **\$25,000**.

Upon the Board's direction, we will prepare the necessary contracts. If you have any questions, please do not hesitate to contact me.

Very truly yours,

Michael S. Lahey, AIA
Principal
