

January 11, 2024
BOE Presentation
Diversity, Equity, and Inclusion CoSer (502)

Update:

- [2023-2024 Services](#)
- '22-'23, '23-'24 Progress:
 - Widespread completion of climate surveys & leveraging the resulting data for change
 - Building systems and structure for equity within districts and across the region
 - Several BOE presentations regarding the meaning of DEI and the CRSE Framework
 - Many professional learning opportunities provided within districts to increase awareness of the CRSE Framework and responsiveness to students & needs
- Celebrations & Successes:
 - Continuation of the Regional Leaders' Group
 - Helping specific districts structure systems to increase equity, and working within those districts on a regular basis to provide professional learning opportunities and guided personal reflection
