

SUBJECT: EMPLOYMENT OF RETIRED PERSONS

A retired person may be employed and earn compensation in a position in the BOCES, without any effect on his/her status as retired and without suspension or diminution of his/her retirement allowance subject to the conditions enumerated in Retirement and Social Security Law Section 211(1). However, there shall be no earning limitations on or after the calendar year in which any retired person attains age sixty-five (65).

No retired person may be employed in the BOCES except upon approval of the Civil Service Commission or the Commissioner of Education unless otherwise authorized in accordance with law.

Such approval may be granted only on the written request of the BOCES giving detailed reasons related to the standards set forth in Section 211; and on a finding of satisfactory evidence by the Civil Service Commission or the Commissioner of Education that the retired person is duly qualified, competent and physically fit for the performance of the duties of the position in which he/she is to be employed and is properly certified where such certification is required.

The BOCES will prepare a detailed recruitment plan to fill such vacancy on a permanent basis when the need arises and will undertake extensive recruitment efforts to fill the vacancy prior to making a determination that there are no available non-retired persons qualified to perform the duties of such position.

Approvals to hire retired individuals may be granted for periods not exceeding one (1) year each, provided that a person may not return to work in the same or similar position for a period of one (1) year following retirement.

Reporting Requirements and Disclosure

- a) The BOCES shall report all money earned by a retired person in its employ in excess of the earnings limitation outlined in Retirement and Social Security Law Section 212 to the retirement system administered by the State or any of its political subdivisions from which the retired person is collecting his/her retirement allowance.
- b) The BOCES, when employing a retired person who is eligible to collect or is already collecting a retirement allowance from a retirement system administered by the State or any of its political subdivisions, shall report on an annual basis to the retirement system paying such retirement allowance and to the State Comptroller. This report shall consist of the re-employed retiree's name, date of birth, place of employment, current position, and all earnings.
