

SUBJECT: EVALUATION OF INSTRUCTIONAL PROGRAMS AND SERVICES

Evaluation may be concerned with the extent to which:

- a) Each staff member performs at full potential;
- b) Each student attending BOCES programs achieves in accordance with his/her ability;
- c) The total learning environment, including institutional processes, physical facilities, and the students, contributes to the accomplishment of the goals of the BOCES.

The St. Lawrence-Lewis BOCES expects staff members to maintain a continual program of evaluation at every level to determine the extent of progress toward the BOCES objectives. The Board of Education will periodically request the Superintendent to present factual information which it considers necessary to evaluate the effectiveness of the BOCES instructional program.
