Dear Director Avery, Superintendent Burns and the St. Lawrence-Lewis BOE:

I would like to extend my sincere appreciation for the opportunity to serve as a special education supervisor for the SLL BOCES. Although my time here has been short, I believe that I was able to assist your team in many ways; especially in the area of common core curriculum alignment and professional development.

I will be starting my new career as the Northeastern Clinton Central School District Superintendent of Schools July 1, 2014. I am looking forward to this new challenge with great enthusiasm. It has been a career goal of mine to serve in this leadership capacity; I just didn't expect the opportunity to happen so quickly!

I also want to thank you for the references that many of you have shared, or were willing to share, on my behalf. This region is very fortunate to have such a dedicated team of professionals serving on the BOCES Board of Education. You have led the way and will continue to assist districts during this exciting, yet challenging time in education. Your work is appreciated by the component districts and internally as well.

I plan to assist Mr. Burns and Ms. Avery in any way that I can to ensure a smooth transition with regard to my roles and responsibilities over the next three (3) months.

Please let this serve as my official letter of resignation, effective June 30, 2014.

Sincerely,

*Lisa L. Grenville*
