3. [New York State Technology Consortium Bid for 2013-14](#) (In accordance with [Board Policy #4310](#) – Purchasing Policy)

A motion is needed to approve the resolution for the additional vendors to participate in the Statewide Technology Licensing Agreement Bid.

Rationale: This listing is in addition to the vendors which were approved at the June 2013 meeting. The Erie I BOCES technology services department of the WNYRIC, on behalf of the participating BOCES and RICs in New York State, negotiates best pricing options for software. This consortium was formed to ensure all participating districts get the best pricing possible by grouping their purchasing power. Another major benefit to this structure is the time saved on the quoting process each time a component district or the BOCES wishes to purchase one of the software packages included in the consortium bid. Additionally, many of the participating companies offer a higher level of customer service, simply for mentoring the consortium. Included in this is the training at no cost which is normally expensive. The cost to each member is \$1,600 per year.

4. [Amendment of Motion #2014-011 of July 11, 2013](#) - Establish Hourly/Per-Diem/Stipend Rates (In accordance with [Board Policy #5150](#) – Temporary and Part-Time Employees)

Workshop Rates:

Professional Workshop Attendance - \$16.67/hour

A motion is needed to approve the amendment to Motion #2014-011 - Establish Hourly/Per-Diem/Stipend Rates.

Rationale: The wording “6 hours per day” is being removed due to the fact that there are a limited number of workshops that exceed the 6 hours per day ie. the Constructivist Design Conference. The component superintendents are in agreement that teachers be compensated for the entire day.

5. [Amendment of Motion #2014-011 of July 11, 2013](#) – Establish Hourly/Per-Diem/Stipend Rates (In accordance with [Board Policy #5150](#) – Temporary and Part-Time Employees)

Regional Summer School Scoring - \$4.00/test

A motion is needed to approve the amendment to Motion #2014-011 – Establish Hourly/Per-Diem/Stipend Rates. The Regional Summer School scoring is to be \$27.00/hour.

Rationale: There are differences in the testing which results in the rate being more equitable to do on an hourly basis rather than per test.

6. [Exclusive Right to Sell Contract](#)
(In accordance with [Board Policy #4510](#) – Facilities Planning)

Resolved to approve the contract with Chadwick Realty for the listing of the former Washington School for the purpose of obtaining a possible buyer.
