OFFICE OF DIST. SUPERINTENDENT
CANTON, NY

My name is Wayne Rogers and I am seeking a nomination from your school board for the position of NYSSBA Area 6 Director

Now serving my 11th year as President of the Malone School Board I have learned the importance of advocating for our schools at the state level. Clearly, NYSSBA offers the best platform for us to make our concerns known and receive answers to our many questions.

Over the last several years I have attended NYSSBA State Issue Conferences and this year's Capital Conference. This year I have participated in two Commissioner's Roundtables at NYSSBA headquarters in Latham where critical topics including state aid, regionalization, common core, and testing have been discussed with the Commissioner and other SED officials.

To be considered for the Area 6 seat requires that I receive a nomination from at least five of the fifty NYSSBA member boards in Area 6. I am hopeful that your Board will give me that endorsement at an upcoming board meeting. NYSSBA requires a simple nomination statement such as the following:

The _____ School Board has nominated Wayne Rogers for the position of Area 6 Director, effective January 1, 2014.

The nomination has to be on district letterhead and sent via FAX, e-mail or USPS to.

Mary Metheny, Executive Assistant
New York State School Boards Association
24 Century Hill Drive, Suite 200
Latham, NY 12110-2125
FAX 518-783-0211

I would also appreciate your sending a copy of your nomination to me c/o Malone Central , FAX 518-483-3071

Thank you for your consideration,

Wayne Rogers
