

Assistant Superintendent for Instruction's Report

St. Lawrence-Lewis BOCES Board of Education

December 2014

- Dec. 8: Met with the P-TECH Scope and Sequence Committee to discuss courses within the P-TECH Academy.
- Dec. 11: Participated in a P-TECH conference call with Rachelle Romoda and SED.
- Dec. 15: Participated in school visit to the Potsdam Central School District. We also spent time visiting the BOCES Special Education Programs in Potsdam.
- Dec. 16: Met with representatives from the Brasher Falls Central School District Administration, Teachers' Association and NYSUT to draft preliminary language for proposed adoption of school wide measures for APPR purposes.
- Dec. 16: Attended the monthly Suicide Prevention Coalition meeting.
- Dec. 17: Met with the P-TECH Scope and Sequence Committee to continue planning the courses for the Academy.
- Dec. 17: Visited NWT to provide support in light of the threat to a student.
- Dec. 19: Deb Champagne and I met with Sara Bentley-Garfinkel of the Health Initiative to discuss support for their grant application. The group is seeking support in offering professional development opportunities for teachers. The support needed is limited to making the PD opportunities available through My Learning Plan.
- Dec. 22: Tom Burns, Renee' Langtry-Green, Dave Evans and I met with Lauren French and representatives from St. Lawrence Health Systems (Canton-Potsdam Hospital and Gouverneur Hospital) to discuss opportunities for adult education.
