

Assistant Superintendent for Instruction
Board Meeting Report
January 9, 2017

12/06/16 – Participated in BOCES visit to Madrid Waddington Central. Discussed various programs that impact their students. Visited a six grade classroom using smart board technology and the greenhouse growing greens and herbs for the school lunch program using organic super grow methods.

Chaired the Joint Study Council Meeting to discuss concerns or issues relative to the teachers' union. A strong collaborative relationship exists.

12/07/16 – Visited Hermon-DeKalb Central as part of the BOCES team. Reviewed their plans and documents developed as a result of Focus School designation. Discussed CTE and Special Education offerings.

Attended BOCES Cabinet meeting.

12/08/16 – Participated in Administrative Council Meeting. Attended BOCES board meeting.

12/09/16 – Hosted the combined Elementary and Secondary Principals Meeting with Regent Ouderkirk as guest speaker.

12/12/16 – Participated in BOCES visit to Norwood-Norfolk Central. Reviewed program initiatives in the district and met with a group of teachers to discuss ways that we can support their professional development.

12/13/16 – Attended the distance learning committee meeting to discuss current status, program and technology options, and plan for the future.

12/29/16 – Patti Fisher and I video-conferenced with NERIC distance learning administrator to discuss possibilities for future cooperative endeavors. Held a meeting with instructional and technological administrators and key support staff to plan for technology and personnel changes beginning next year.

1/04/17 – Visited Jeff-Lewis BOCES to review their special education financial procedures and personnel roles relative to their processes.

1/5/17 – Completed three classroom observations at Brasher Falls Central on shared teachers in music, Spanish, and technology.

1/6/17 – Participated in Cabinet meeting.
