

**PERSONAL PROPERTY  
TRANSFER AGREEMENT**

The **Boards of Cooperative Educational Services, Saint Lawrence**, (“BOCES”) and the **Power Authority of the State of New York** ("the Authority") agree as follows:

- 1) The personal property identified as Schedule A to this Agreement is transferred by the Authority and accepted by BOCES "AS IS, WHERE IS" at no cost to BOCES.
- 2) BOCES agrees to use the personal property transferred under this Agreement only in accordance with the statement of need provided to the Authority (attached hereto), and its policies and procedures governing use of BOCES Property.
- 3) **THE AUTHORITY DOES NOT WARRANT THE FITNESS OF THE PERSONAL PROPERTY FOR ANY PARTICULAR USE OR ITS MERCHANTABILITY AND DISCLAIMS ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, THE QUALITY, CHARACTER, PERFORMANCE, OR CONDITION OF THE PERSONAL PROPERTY OR ANY OF ITS COMPONENT PARTS, ASSEMBLIES, OR ACCESSORIES.**
- 4) The Boards of Cooperative Educational Services shall indemnify and hold harmless the Authority and all of its officers, agents and employees from any loss, damage, remedial or response cost, liability or expense, on account of damage or contamination to property and injuries, including death, to all persons, including BOCES employees, or any third parties, arising or in any manner growing out of the transfer of any personal property or the performance of any work under this agreement and shall defend at its own expense any suits or other proceedings brought against the Authority and its officers, agents and employees, or any of them, on account thereof, and pay all expenses and satisfy all judgments which may be incurred by or rendered against them or any of them in connection therewith.
- 5) BOCES shall coordinate delivery with the Authority to its facilities at the Authority's expense.

Mr. Gil Quiniones, President and CEO  
New York Power Authority  
123 Main Street  
White Plains, NY 10601

Dear Mr. Quiniones:

The St. Lawrence-Lewis BOCES would be pleased to participate and receive a hybrid or electric vehicle to complement and improve our current Automotive Technology Program. Approximately 78 students attend our BOCES program, located in Norwood, New York, serving students from school districts throughout the region including Massena Central School, Brasher Falls Central School, Norwood-Norfolk Central School, Potsdam Central School, Colton-Pierrepont Central School, Parishville-Hopkinton Central School, and Canton Central School.

We understand your board is considering the possibility of transferring ownership of an electric vehicle or hybrid vehicle to our district, and we have been asked to express why gaining an electric or hybrid vehicle would benefit our program.

The vehicle will be used for educational purposes to assist in the training for our Automotive Training Program. We are ASE accredited, and part of that accreditation includes preparing students for their careers. As electric vehicle and hybrid vehicle technology is becoming increasingly popular, we aim to cover this technology. Our BOCES currently does not have any hybrid or electric vehicles due to financial/resource restrictions. This vehicle would provide a physical, hands on tool for EV/hybrid training. A donation of a hybrid or electric vehicle would facilitate safety, electrical, and technology training needed for students to receive possible additional ASE certifications.

We greatly appreciate the opportunity to receive a vehicle donation to our BOCES program and being part of NYPA's initiative to enhance EV/hybrid education and workforce development.

Thank you,

Thomas R. Burns,  
District Superintendent/Chief School Officer
