

Students

SUBJECT: SECTION 504 OF THE REHABILITATION ACT OF 1973

The Board affirms its compliance with those sections of the Rehabilitation Act of 1973 dealing with program accessibility. Section 504 of the Rehabilitation Act prohibits discrimination against qualified individuals with disabilities in federally assisted programs or activities solely on the basis of disability. The BOCES will make its program and facilities accessible to all its students with disabilities.

The BOCES will extend to every qualified student with a disability under Section 504 a free, appropriate public education, including modifications, accommodations, specialized instruction, or related aids and services, as deemed necessary to meet their educational needs as adequately as the needs of non-disabled students are met.

The BOCES official responsible for coordination of activities relating to compliance with Section 504 is the District Superintendent. The District Superintendent will provide information, including complaint procedures, to any person who feels his or her rights under Section 504 have been violated by the BOCES or its officials.

Prohibition Against Disability-Based Discrimination in Accelerated Programs

The practice of denying, on the basis of disability, a qualified student with a disability the opportunity to participate in an accelerated program violates both Section 504 and Title II, which extends the prohibition on discrimination established in Section 504. The BOCES may not impose or apply eligibility criteria that screens out or tends to screen out a student with a disability from fully and equally enjoying any service, program, or activity, unless the criteria can be shown to be necessary.

It is also unlawful to deny a student with a disability admission to an accelerated class or program solely because of his or her need for special education or related aids or services (i.e., related services, supplementary aids and services, program modification and supports for school personnel) or because the student has an Individualized Education Program or Section 504 plan.
