

SUBJECT: STUDENT DRESS CODE

The responsibility for the dress and appearance of students shall rest with individual students and parents. They have the right to determine how the student shall dress, provided that such attire is not destructive to school property, complies with requirements for health and safety, does not interfere with the educational process, meets the student dress code requirements delineated in the Code of Conduct, or impinge upon the rights of others. The administration is authorized to take action in instances where individual dress does not meet these stated requirements.

While the school administration may require students participating in physical education classes to wear certain types of clothing such as sneakers, socks, shorts, tee shirts, they may not prescribe a specific brand which students must buy.

This policy does not mean that student, faculty, or parent groups may not recommend appropriate dress for school or special occasions. It means that a student shall not be prevented from attending school or a school function, or otherwise be discriminated against, so long as his/her dress and appearance meet the above requirements.
